EXPLANATORY STATEMENT

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ended 30 June 2019 (which incorporates the Company's financial report, reports of the Directors (including the Remuneration Report and the Auditors Report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company by phone at (03) 8610 4000, and you may request that this occurs on a standing basis for future years. Alternatively, you may access the Annual Report at the Company's website: <http://www.cuenrg.com.au> or via the Company's announcement platform on ASX. Except as set out in Resolution 1, no resolution is required on these reports.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the remuneration report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's 2019 Annual Report. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the remuneration report at the Annual General Meeting.

The Corporations Act requires the Company to put a resolution to Shareholders that, in accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last Annual General Meeting, the votes cast against the remuneration report represented less than twenty five (25%) per cent of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Board Recommendation

The Board encourage all eligible shareholders to cast their votes in favour of Resolution 1. The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 1.

Voting Exclusions

The Company will disregard any votes cast in favour of this resolution (in any capacity) by or on behalf of a member of the Key Management Personnel (being those persons described as such in the Remuneration Report) or a closely related party of such a member unless the vote cast as proxy for a person entitled to vote:

- (a) in accordance with a direction on the proxy form; or,
- (b) by the Chairman of the meeting as proxy for a person entitled to vote and the Chairman has received express authority to vote undirected proxies as the Chairman sees fit.

Accordingly, if you intend to appoint a member of Key Management Personnel as your proxy, please ensure that you direct them how to vote. If you intend to appoint the Chairman of the meeting as your proxy, you can direct him to vote by marking the box for Resolution 1. By marking the Chairman's box on the proxy form you acknowledge that the Chairman of the meeting will vote in favour of this item of business as your proxy. The Chairman will vote undirected proxies in favour of Resolution 1.

Resolution 2: Re-election of Mr Alastair McGregor as a Director of the Company

Background

Mr Alastair McGregor was appointed as a Non-Executive Director on 23 February 2018 and Chairman of the Board on 24 April 2018 as a casual vacancy. He was subsequently elected as Director of the Company at the last Annual General Meeting in accordance with the provisions of the Company's Constitution. Mr Alastair McGregor is eligible for re-election under the Company's Constitution.

Alastair McGregor has been actively involved in the oil and gas sector since 2003. He is currently chief executive of O.G. He leads the O.G. Energy Senior Management Committee, driving the strategy for Ofer Global's energy activities. Mr McGregor is also a director of New Zealand Oil & Gas Limited.

In addition, Alastair McGregor is chief executive of Omni Offshore Terminals Limited, a leading provider of floating, production, storage and offloading (FSO and FPSO) solutions to the offshore oil and gas industry. Omni's operations have spanned the globe from New Zealand, Australia, South East Asia, Middle East and South America. Prior to entering the oil and gas industry he spent 12 years as a banker with Citigroup and Salomon Smith Barney. Mr McGregor holds a BEng from Imperial College, London and an MSc from Cranfield University in the UK.

Board Recommendation

The Board (with Mr McGregor abstaining), recommends that shareholders vote in favour of the re-election of Mr Alastair McGregor. The Chairman of the meeting intends to vote undirected proxies in favour of Mr McGregor's election.

Mr Andrew Jefferies was appointed as a Non-Executive Director on 23 February 2018 as a casual vacancy and was elected by Shareholders at the last Annual General Meeting. He is a member of the Audit Committee, the Remuneration and Nomination Committee and the Health, Safety, Security, Sustainability and Operational Risk Committee. Voting Exclusions

There are no voting exclusions on this resolution

Resolution 4: Approval of the Employee Share Option Plan

Background

The Board in their meeting held on 24 June 2019 approved the Employee Share Option Plan.

The Company is seeking shareholder approval to adopt the Employee Share Option Plan (ESOP) in order to assist in the motivation, retention and reward of employees of the Company and its subsidiaries. The Board believes the ESOP will form an important part of a comprehensive remuneration strategy for the Company's employees, aligning

their interests with those of shareholders by linking their rewards to the long-term success of the Company and its financial performance.

ASX Listing Rule 7.1 imposes a limit on the number of equity securities which the Company can issue in a 12-month period without prior shareholder approval.

An exception to ASX Listing Rule 7.1 is set out in ASX Listing Rule 7.2 (Exception 9(b)) which provides that ASX Listing Rule 7.1 does not apply to an issue under an employee incentive scheme if, within the 3 years before the date of issue, shareholders have approved the issue as an exception to ASX Listing Rule 7.1.

Shareholder approval is sought to adopt the ESOP in accordance with Exception 9(b) of ASX Listing Rule 7.2 and to enable the Company to subsequently issue equity securities under the ESOP for 3 years after the Meeting, without having to obtain Shareholder approval each time the Company wishes to issue such securities which exceed the 15% limit contained in the ASX Listing Rule 7.1.

The Company does not presently have any specific intention to issue equity securities that would exceed the Company's capacity to issue equity securities under ASX Listing Rule 7.1 in the absence of Shareholder approval. Nevertheless, the Company wishes to preserve the flexibility to issue the full 15% for each of the next 3 years. Approval under this Resolution 4 will provide more scope for the Company to raise additional equity if required.

The ESOP has been developed to provide the greatest possible flexibility in choice to the Board in implementing the executive incentive schemes. The ESOP enables the Board to offer employees a number of Options.

A summary of material terms of the ESOP is set out as follows:

TERMS OF OPTIONS

- the ESOP sets out the framework for the offer of Options by the Company, and is typical for a document of this nature;
- in making its decision to issue Options, the Board may decide the number of securities and the vesting conditions which are to apply in respect of the securities. The Board has flexibility to issue Options having regard to a range of potential vesting criteria and conditions;
- in certain circumstances, unvested Options will immediately lapse and any unvested Shares held by the participant will be forfeited if the relevant person is a "bad leaver" as distinct from a "good leaver";
- if a participant acts fraudulently or dishonestly or is in breach of their obligations to the Company or its subsidiaries, the Board may determine that any unvested Options held by the participant immediately lapse and that any unvested Shares held by the participant be forfeited;
- in certain circumstances Options can vest early upon a change of control event as defined under the Plan rules.
- the total number of Options and Shares which may be offered by the Company under these Rules shall not at any time exceed 5% of the Company's total issued Shares when aggregated with the number of Options and Shares issued or that may be issued as a result of offers made at any time during the previous three year period under an employee incentive scheme.
- the Board has discretion to impose restrictions (except to the extent prohibited by law or the ASX Listing Rules) on Shares issued or transferred to a participant on vesting of an Option or a Performance Right, and the Company may implement appropriate procedures to restrict a participant from so dealing in the Shares;
- the Board is granted a certain level of discretion under the EIP, including the power to amend the rules under which the EIP is governed and to waive vesting conditions, forfeiture conditions or disposal restrictions.

A copy of the ESOP is available to shareholders free of charge upon request to the Company Secretary.

At the date of this Notice, 8,131,186 options have been issued under the proposed ESOP.

The precise number of securities to be issued by the Company to eligible employees under the ESOP within the next 3 years cannot be presently ascertained as it will depend on a variety of factors, including the achievement of Company and individual, financial and non-financial performance measures.

Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

Voting Exclusions

The Company will disregard any votes cast in favour of Resolution 4 by any Director of the Company and any of their associates (except one who is ineligible to participate in any employee share option plan in relation to the company):

However, the Company need not disregard a vote on this Resolution if:

- (a) It is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or
- (b) it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote in accordance with a direction on the Proxy Form to vote as the proxy decides.

If you appoint the Chairman as your proxy and you do not direct the Chairman how to vote, you will be expressly authorising the Chairman to exercise the proxy even if the relevant resolution is connected directly or indirectly with the remuneration of a Key Management Personnel for the Company.

Resolution 5: Appointment of Auditor

Background

BDO East Coast Partnership is the current auditor of the Company. The Board is satisfied with the services provided by the current auditor, and thanks the auditor for their services rendered to the Company. Nevertheless, the Company's size, scope and nature of operations has changed since the current auditor's initial appointment, and on that basis the current auditor has tendered a notice of resignation to the Australian Securities and Investments Commission (**ASIC**) under section 329(5) of the Corporations Act 2001.

If ASIC consents to this resignation before the date of this Meeting, the change of auditor will take effect with the passing of this Resolution at this Meeting.

KPMG has provided their consent in writing to act as auditor of the Company. KPMG confirms that it does not provide any services to the Company and the Company confirms that it is unaware of any matter or circumstances that would give rise to a conflict of interest situation, as defined in section 324CD of the Corporations Act 2001, in relation to the Company.

The Board has also noted that KPMG is registered as an auditor under section 1280 of the Corporations Act 2001 and is a well-established firm with the necessary expertise and skill necessary to meet the Company's requirements. Consequently, subject to the Company receiving all necessary approvals from ASIC and Shareholder approval at this Meeting, KPMG has been nominated and selected to become the new auditor of the Company.

Board Recommendation

Subject to ASIC's consent of the current auditor's resignation, the Board recommends that Shareholders vote in favour of Resolution 5. If ASIC does not consent to the current auditor's resignation, the current auditor will continue to be the Company's auditor and this Resolution will not be put to this Meeting. The Chairman of the Meeting intends to vote undirected proxies in favour of Resolution 5.

Voting Exclusions

There are no voting exclusions on this resolution.

Resolution 6: Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting ("**10% Placement Facility**"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues actively seeking to enhance the value of its assets and new investments. Should the Company utilise the 10% Placement Facility, it intends to use the funds to either accelerate the work on its current projects, acquire new assets, or to meet additional working capital requirements.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has Fully Paid Ordinary Shares on issue.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D)–E

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) *Minimum Issue Price*

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

Listing Rule 7.1A

The effect of Resolution 6 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 trading days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may be exposed to economic risk and voting dilution, including the following:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at 18 October 2019 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable “A” has increased, by 50% and 100%. Variable “A” is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders’ meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Issue Price		
		\$0.063 50% decrease in Current Share Price	\$0.125 Current Share Price	\$0.250 100% increase in Current Share Price
Current Variable A 698,119,720 Shares	10% Voting Dilution	69,811,972 Shares	69,811,972 Shares	69,811,972 Shares

50% increase in current Variable A 1,047,179,580 Shares	10% Voting Dilution	104,717,958 Shares	104,717,958 Shares	104,717,958 Shares
	Funds raised	\$6,544,872	\$13,089,745	\$26,179,490

	Funds raised	\$8,726,497	\$17,452,993	\$34,905,986

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities.
 - The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder’s holding at the date of the Annual General Meeting.
 - The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Options, it is assumed that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - The Current Share Price is \$0.125 (12.5 cents), being the closing price of the Shares on ASX on 18 October 2019.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 6 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
