

2021 Corporate Governance Statement

The Board and management of Cue Energy Resources Limited ACN 066 383 971 (“CUE” or the “Company”) recognise their duties and obligations to shareholders and other stakeholders to implement and maintain a proper system of corporate governance. CUE believes that good corporate governance helps ensure the future sustainability of the Company, adds value to stakeholders and enhances investor confidence.

The ASX Listing Rules require listed companies to prepare a statement disclosing the extent to which they have complied with the recommendations of the ASX Corporate Governance Council (“ASX Recommendations”) in the reporting period. The Recommendations are guidelines designed to improve the efficiency, quality and integrity of the Company. They are not prescriptive, so that if a company considers a recommendation to be inappropriate having regard to its own circumstances, it has the flexibility not to follow it. Where a company has not followed all the Recommendations, it must identify which Recommendations have not been followed and give reasons for not following them.

This Corporate Governance Statement (“Statement”) sets out a description of the Company’s main corporate practices and provides details of the Company’s compliance with the Recommendations, or where appropriate, indicates a departure from the Recommendations with an explanation.

This Statement is current as at 18 August 2021 and has been approved by the Board of Directors of CUE. The statement, with the supplementary policies and charters, are available on the Company’s website (<http://www.cuenrg.com.au>).

PRINCIPLE 1: LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

RECOMMENDATION 1.1 - ROLE OF THE BOARD AND MANAGEMENT

The role of the Board is to act in the best interests of the Company as a whole and it is accountable to shareholders to guide the overall strategy, culture, governance and performance of the Company, working with and through the Chief Executive and management team. The Board aims to protect and enhance the interests of its shareholders, while considering the interests of other stakeholders, including employees, customers, suppliers, and the wider community.

The Board has a formal Board Charter which is available on the Company's website at <http://www.cuenrg.com.au> that clearly sets out those matters expressly reserved for the Board's determination and those matters delegated to management.

The Board delegates responsibility for the day-to-day management of the Company and its business to the Chief Executive Officer (CEO). The CEO is supported by the senior executive team and delegates authority to appropriate senior executives for specific activities. The Board maintains ultimate responsibility for strategy, control, and risk profile of the Group.

RECOMMENDATION 1.2 - APPOINTMENT OF DIRECTORS

The Board has procedures for the selection and appointment of new directors and the re-election of incumbent directors.

Selected candidates for Board positions undergo appropriate background checks before being appointed to the Board. Any Director appointed during the year to fill a casual vacancy or as an addition to the existing Directors must stand for election at the next Annual General Meeting ("AGM").

A regular assessment is made of the current qualifications, skills, and experience of the directors, as well as the skills, experience and expertise needed to deal with current and emerging issues of the business and to effectively review and challenge the performance of management and exercise independent judgement.

We provide our shareholders with all material information in our possession that is relevant to their decision on whether or not to elect or re-elect a Director through a number of channels, including via the notice of meeting and other information contained in the 2021 Annual Report.

RECOMMENDATION 1.3 - APPOINTMENT TERMS

Non-Executive Directors have a written agreement with the Company setting out the terms of their appointment as directors.

Details of executive contracts in place are detailed in the Company's Annual Remuneration Report in the 2021 Annual Report.

RECOMMENDATION 1.6 - BOARD PERFORMANCE ASSESSMENT

The Board is committed to formally evaluating its performance, the performance of its committees and individual Directors, as well as the governance processes supporting the Board. The Board does this through a biennial assessment process which the Board feels is appropriate given the structure and size of the Company, unless determined otherwise.

The Board and Committees' performance assessment is conducted through the completion of a questionnaire / survey by each director, and which is facilitated by the Company Secretary. The Company Secretary subsequently prepares and provides a report to the Nomination and Remuneration Committee which outlines the feedback received on the Board's and Committees' performance. The Nomination and Remuneration Committee then discusses areas and actions for improvement and reports them to the Board.

An internal Board assessment took place in June 2021. An analysis of the data collected indicated that the Board is functioning effectively against all criteria. The Board and Committees are committed to their roles and each Board member is dedicated to proactively support the Company and its stakeholders.

RECOMMENDATION 1.7 - SENIOR EXECUTIVE PERFORMANCE ASSESSMENT
