## Arafura Gas Supply Agreement Update

Cue Energy Resources Limited (**ASX:CUE**) refers to its announcement dated 3 February 2025 and advises that the existing conditional gas supply agreement (GSA) for Arafura's Nolans rare earths project has lapsed due to the condition precedent of Arafura's final investment decision for the Nolans project not being satisfied.

The Mereenie Joint Venture partners committed to the three-year sale in advance of the agreed 1 January 2028 commencement date and have previously provided a nine-month extension for Arafura to satisfy the condition precedent. The Joint Venture will now market this volume of firm gas production commencing in 2028 to other customers throughout the Northern Territory and East Coast.

CUE has a 7.5% interest in the Mereenie Joint Venture. The other participants are Echelon Resource Limited (**ASX:ECH**) (42.5%), Horizon Oil Limited (**ASX:HZN**) (25%), Central Petroleum Limited (Operator) (**ASX:CTP**) (25%).
